

# Nolan.UDA brings Silver Lining to Industrial Fabrics Exhibition

**Nolan Group**

Industrial Fabrics Division

## **NOLAN.DA BRINGS SILVER LINING TO INDUSTRIAL FABRICS EXHIBITION**

For some reason there seems to be a negative implication often associated with Silver. Some may say that no one remembers the Silver Medal winner, however we respectfully disagree.

In our humble opinion we still think that it is silver a great effort which is why we are proud to announce that Nolan.UDA is a Silver sponsor for the Specialised Textiles Association's (STA) 2015 Trade Exhibition and Conference, known as SpecTex15. This expo will bring together the industrial textile sector to discuss the latest developments and market trends. SpecTex15 will focus on delivering educational programs and high profile speakers along with the traditional and innovative trade displays.

**Duration:** 27-29 June, 2015

**Location:** Melbourne Convention and Exhibition Centre, Melbourne

Nolan.UDA will have a booth present throughout the exhibition, so feel free to stop by and say hello.
