

SILVERGUARD[®]
SILVER ION TECHNOLOGY

safe
safe

SILVERGUARD[®] is a natural environmentally friendly bacteria-fighting defense to inhibit odor and stain causing bacteria, plus the SILVERGUARD technology is EPA registered and FDA approved.

reliable

SILVERGUARD[®] stays fresh and lasts longer than other silver ion based products due to the proprietary manufacturing process which promotes a controlled release of antibacterial properties. It continues to provide its bacteria-fighting protection even after repetitive cleanings.

effective
effective

The elemental protection of silver in SILVERGUARD[®] is an antibacterial agent. It is safe and efficient in diminishing odors, promoting freshness, and extending the life cycle of a product by attacking bacteria and other destructive microorganisms.
